CLASSROOM CORNER: Social Studies (Mr. Jayson Krall):

Grade 5: We study the regions of the U.S. in this class. We are winding up the year by looking at the West. With its mountains, beauty, many resources and mighty rivers the kids have enjoyed learning about this region. Being raised in Portland, Oregon I had to teach the kids that "the West is the Best."

Grade 6: Ancient Greece is the topic of study at this point. Socrates, Aristotle, Alexander the Great, the Persian War. Greece was quite a place in the ancient times. We will end up the year by looking at Rome and the empire they forged.

Grade 7: World geography, central and southeast Asia right now, China to be specific. With 1.3 billion people, communism, and the world's 3rd largest economy, yes, it's important.

Grade 8: Our biggest kids are in the middle of World War 2, in history class I mean.

Perhaps the world's worst movie producer, David O. Dimwit, (Joseph Meador), is in need of a hit after too many miserable failures. Could a new screenplay by writers Dickens and Shakespeare (Kaily Moegenburg and Erin Hueppchen) and a location shoot in vampire infested Vansyltrania revive his career? Could director Otto von Strongman (John Gobbel) corral a group of Hollywood cast-offs and a handful of wacky locals into a tight-knit cast? Could Chief Inspector Idiot (Noah Wetenkamp) solve a string of murders that plague the set? Not likely, but then again, you may never have seen a show quite like *Unwrapped* by Charlie Lovett. This non-scary horror show will have you screaming with laughter, if the jokes don't kill you. Come see an unusually talented eighth grade class put on this hilarious send-up of 1930s Hollywood. Shows: April 29 and 30 at 7:30 PM St. John Gymnasium; St. John Lutheran School, Plymouth, Wisconsin. Tickets: Freewill offering at the door. Produced by special arrangement with Pioneer Drama Service, Inc., Englewood, CO.

HAVE YOU ASKED YOURSELF - "WHAT IS SCRIP?" SCRIP is a fundraising gift card program that allows you to shop with gift cards for your daily needs such as gas, groceries, clothing, animal feed, and restaurants, and any other need you may have. You simply purchase the gift card/certificate for face value and spend it just like cash. The vendors sell the certificates/gift cards to our program for a certain percentage less than the face value. That is how we arrive at a profit! An account is set up for you at your request and the profit is tallied for your child's tuition at the end of April each year. If you don't have a student with a tuition need, you may apply the profit to the general fund! Please feel free to contact Mary or Rhonda with any other questions.

If you have any questions, please contact Mary Rank at 207-4655 or Rhonda Bohrmueller at 528-7774.
