CLASSROOM CORNER – SJL Spanish: This school year has gotten off to a great start! I am proud to announce that this year St. John Lutheran is offering Spanish in every classroom. The three year old preschool students through fifth grade are learning numerous songs and rhymes to help them remember greetings, numbers, and traditional Spanish songs as I teach them one class period a week. The sixth through eighth grade students continue to have Spanish two class periods a week as they receive the majority of their class in Spanish.

¡Gracias a todos por su ayuda! (Thank you to everyone for your help) – Señora Larkin

The St John School **Food Service Department** is looking for a volunteer to help out with dishwashing during the lunch periods. This would be occasionally for one hour from 11:30 – 12:30. Anyone interested please contact: Francha Dallman @ 893-5114x 230.

Coaches Needed! Do you enjoy working with middle school aged children? Can you give positive criticism? Well, then Forensics coaching may be for you. The St. John middle school Forensics season has begun and we are in need of adults to work with our 5th through 8th grade Forensics participants. If you are available during any of the following times (Mondays/Fridays at 11:05-11:20 or 2:40-3:00; Tuesdays, Wednesdays, Thursdays at 11:50-12:10 or 2:40-3:00) and would be willing to help, please contact Mrs. Robin Larkin at (920) 334-0083 or robin.larkin@stjohnplymouth.org. You would only work with one student or one small group, two to six students, at a time. Forensics is a great introduction to and practice of public speaking for our middle school students. Please help this program continue to run smoothly by volunteering today.

2. How the brain actually works- just the basics. A very simple overview of what we are learning about brain function and development.
3. Seven building blocks to maximize your child's education.
4. Using your new knowledge of the brain to strengthen your child's faith.
