**MARKET DAY LIFESTYLE fundraiser forms were due yesterday. Please return them ASAP.**

**CLASSROOM CORNER** – Second grade has had a great start to the school year. We have already learned so much! In math we have been practicing our addition math facts. We have different tricks to help us memorize them. We even made up a rap song about our doubles facts. We are getting so quick! In reading we have been learning about contractions. We had to perform surgery on the two words to make it into one word. The saying, "Contractions have an apostrophe that take the place of letters you see," helps us to remember what a contraction is. In Social Studies we have been working on learning about our state, our state's capital, our country, our country's capital, and we can even name all 7 continents and the 4 oceans. In religion we have been studying the story of Moses, Pharaoh, and the plagues. We even did a skit in our classroom leading the Israelites out of Egypt. With God's help, parting the red sea, we made it to the promised land safely.

The **Plymouth Food Pantry** would like to thank and acknowledge our September movie night donations to them of \$22.54 and food items. They certainly appreciate our support as together we strive to assist the needy in Plymouth. Thank you SJL for caring about our community.

**Friday is Blue and White Day!** Show your school spirit by wearing your SJL Fan wear or by wearing blue and white. The Plymouth Police department will be here with their K-9 unit to teach us important information about drug awareness. We will also be having a pep rally to show our support for the Annual Girl's Volleyball tournament happening here this weekend.

**Attention Parents:** The athletic department is in need of home-made tortes for the volleyball tournament for this weekend. Your child should have brought home the recipes again yesterday but if you need one, let Mrs. Truttschel know. Please bring the tortes to the cafeteria after school on Friday or Saturday morning. We have 16 teams in our tournament this weekend so all the tortes that you can make will help us out. Our tortes are a huge seller and without them the tournament would not be the same. Thanks for all your help. Mrs. Truttschel and Mrs. MacGillis
